Dan,
Yes, that should be included. My fault as that cost was associated with a trailing cost invoice (July 2020) that I did not check as part of my initial review of the total cost for the TD. Revised total would be **\$38,340.42**.

Thanks,

Tim

Tim,
In talking with Michelle she agrees with your number but wanted to know about this extra \$445. Do you think that should be included?

Dan,
All cost associated with the CRU litigation was isolated on TD No. TO-0032-0101 which was issued under the Contract Year 1 fixed price Task Order 0032. The total invoice cost associated with the TD was **\$37,895.25**. All of that cost is associated with the outside counsel retained by Weston. My time dealing with the litigation was absorbed as contract overhead so there is no associated invoice cost. If you have any questions or need any further information please let me know.

Thanks,
